

MyDay

 **Galafold**[®]
(migalastat)

The **MyDay** App is available for you to download!

Manage your GALAFOLD[®] treatment with the MyDay App.

Benefits of using the MyDay App:

- Track your GALAFOLD[®] use
- Receive reminders:
 - When it's time to take your next GALAFOLD[®] dose
 - When you should stop and start eating again
 - When it's time for your upcoming doctor's appointment
- View personalized motivational messages

MyDay App feature: A dedicated notes section to gather all of your thoughts, comments and/or questions for your healthcare professionals

Scan the QR code below to download the App

- 1** Open the camera app on your mobile device.
- 2** Hold the device's camera up to the QR code.
- 3** Your device will automatically* recognize the QR code and provide you with an on-screen notification (make sure you have mobile signal or you're connected to Wi-Fi).
- 4** Tap the notification to be taken directly to the download page.

Search **Galafold-MyDay App** or use the code **34446** to download the MyDay App from the Apple App Store or Google Play Store today!

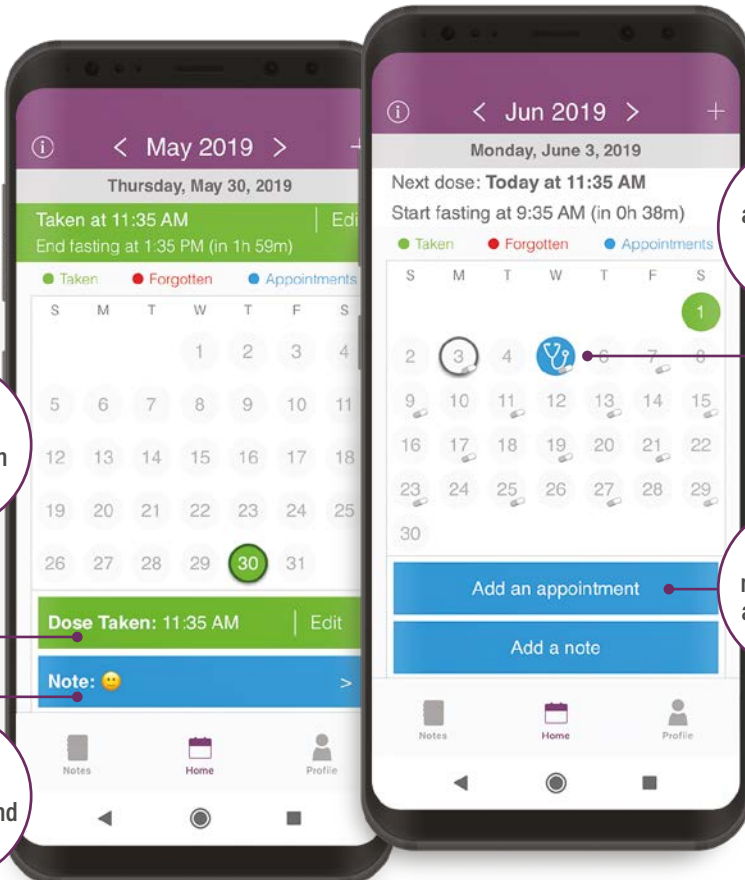

The MyDay App has been designed with features to support you throughout your GALAFOLD[®] treatment journey.

The MyDay App can send you push notifications even when it is not running.
