

Meaghan Leslie

Meaghan is a genetic counsellor at the Juravinski Cancer Centre in Hamilton, Ontario. She completed three degrees at the University of Toronto, including an Honours Bachelor of Science degree in Genetics and Biotechnology, a research-based Master's degree in Molecular Genetics, and most recently, a Master's degree in Genetic Counselling. During her research-based Master's degree, Meaghan studied early cardiac development in the Department of Developmental and Stem Cell Biology at The Hospital for Sick Children. Meaghan also has volunteer experience with LifeLabs Genetics and Distress Centres of Greater Toronto.
