

## Emily Fox

Emily received her Master of Science in Genetic Counselling from the University of Toronto in 2014. Prior to this, she completed a PhD in Physiology (2012) and a BSc in Human Biology (2006), both from the University of Toronto. Emily joined the Peterborough Regional Health Centre Genetics Program in June of 2014 and sees a variety of patients including prenatal, cancer, pediatric and adult, in this general clinical setting. She is the current president of the Canadian Association of Genetic Counsellors.
