

Stephanie Hoang

Stephanie Hoang graduated from the University of British Columbia with a Master of Science degree in Genetic Counselling. As of 2019, she is a full time genetic counsellor with Alberta Precision Laboratories. She is integrated in the Molecular Genetics, Cytogenetics, Prenatal Screening, Newborn Screening and Biochemical Genetics laboratories in addition to having a role in clinical metabolic genetic counselling with newborns and their families. Stephanie is located in Edmonton, Alberta and has a strong interest in clinical research, genetic counselling regulation and communications.
